# POINT OF SALE

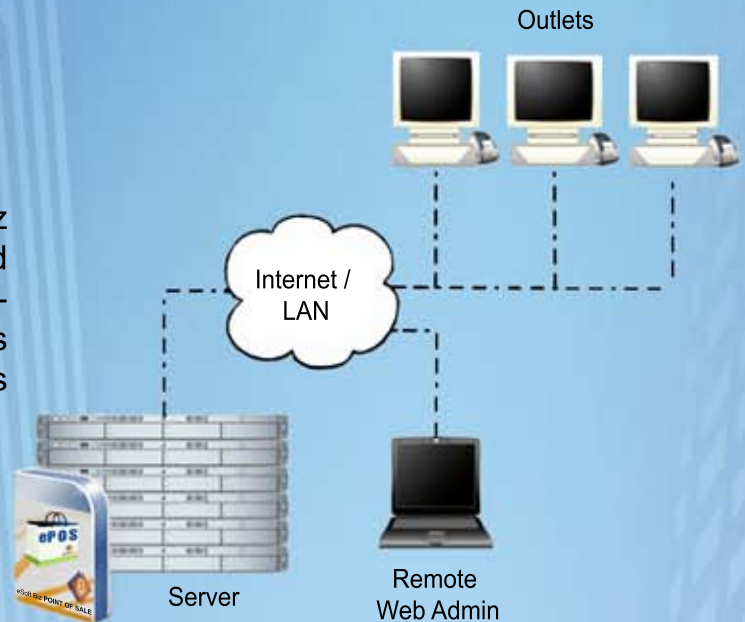

FAST - SIMPLE - SECURE

## Why ePOS

ePOS is a complete Retail Management System that opens up a new world of cloud computing for your business.

The main advantage of eSoftBiz POS over others is its Web Enabled technology which allows you to operate multiple outlets/warehouses without any hurdles. Other reasons to use ePOS are:

- **Cloud Enabled (Web Based Admin)**
- **Mobility**
- **User friendly Interface**
- **Easy Installation**
- **No special Hardware Requirement.**
